

TINKERCAD 3D Project

DAY TWO

1. Go to www.tinkercad.com
2. Sign into your account
3. Click on the “Learn” tab (top left)
4. Scroll down to “Tinkercad Lessons” and complete the following lessons:
Do the lessons in order - I can tell if you’ve completed the lesson or not!!
 - Saw Shaped Wrench (Show teacher when finished)
 - One lesson from the “jewelry” group (Show teacher when finished)
 - Under Projects - Complete the Minecraft Bobblehead (Show teacher when finished)
5. Continue creating your own 3D item.
 - Go to the top right area of the screen and you’ll find your login icon.
 - Click on it and you’ll see where you can then click on “My Designs” to retrieve your design you already started.
