

TINKERCAD 3D Project

DAY THREE

1. Go to www.tinkercad.com
2. Sign into your account
3. Click on the “Learn” tab (top left)
4. Click on “Projects”
 - Choose a project that you feel will HONESTLY challenge you!! Complete this project to learn more about Tinkercad.
 - Make sure you show the teacher when your project is finished.
5. Continue creating your own 3D item.
 - Go to the top right area of the screen and you’ll find your login icon.
 - Click on it and you’ll see where you can then click on “My Designs” to retrieve your design you already started.
